RESPONSE TO NOTICE OF DRAWING INCONSISTENCY

Dear Sir:

The undersigned has received the Notice of Drawing Inconsistency With Specification (hereinafter "NOTICE"), dated February 8, 2005. The NOTICE states that the drawings filed on March 15, 2002 have been received; however, "an inconsistency exists between the drawings and the brief description of the drawings in the specification." Specifically, the NOTICE states that "Figures 2 and 3 are listed in the Brief Description of the Drawings in the specification, but not contained in the Drawings."

The undersigned respectfully disagrees. This application was filed with two sheets of drawings (Figs. 1A-3) as evidenced by the stamped photocopy of the post card included herewith. Moreover, this application was substantively examined by Examiner Davis and at no time during the prosecution of the application did Examiner Davis state that Figures 2 and 3 are listed in the brief description of the drawings but are not contained in the drawings.

Submitted herewith are two sheets of formal drawings (Figures 1, 2, and 3). Figure 1

Application No. 10/088,193

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-3145, under Order No. AP9714 from which the undersigned is authorized to draw.

Respectfully submitted,
